

One Source. Nearly Infinite Solutions.

ABOUT PROMACH

ProMach is a family of best-in-class processing and packaging product brands that can package anything with precision, with efficiency, and with performance. With a worldwide footprint, ProMach is an extensive provider of solutions to maximize production line performance, from processing solution design to the end of the packaging line and beyond.

We design, manufacture, integrate, and support the most sophisticated and advanced production line solutions including standalone machines, cellular integrated systems, complete turnkey lines, and production line digital intelligence.

We serve key applications in the global marketplace at every scale, including: Filling, Bottling & Capping, Decorative Labeling, Flexibles & Trays, Handling & Sterilizing, Labeling & Coding, Robotics & End of Line, Pharma, and Systems & Integration. ProMach leverages the knowledge of all our product brands, so that innovation flows to every customer, everywhere. ProMach is Performance, Packaged.

S&I

- Turnkey Processing & Packaging Lines
- Engineering & Integration Services
- Conveyor Systems
- Specialty Equipment
- Production Line Management & Maintenance Software

SYSTEMS & INTEGRATION

FI

- Hot, Cold & Carbonated Liquid Filling Systems
- Aerosol & Foamy Product Filling Systems
- Aseptic & Extended Shelf Life (ESL) Filling Systems
- High Pressure Pasteurization Filling Systems

FILLING

B&C

- Bottle Unscrambling & Orienting Systems
- Capping & Cap Handling Systems
- Bottle & Can Handles
- Handle Applying Systems

BOTTLING & CAPPING

DL

- Pressure Sensitive Labeling Systems
- Cut & Stack Labeling Systems
- Roll-Fed Labeling Systems
- Shrink & Stretch Sleeving Systems
- Tamper Evident Banding System

DECORATIVE LABELING

F&T

- Vertical Bagging & Heat Sealing Systems
- Tray Packaging & Weighing Systems
- Vertical & Horizontal F/F/S Systems
- Horizontal Thermoform Fill & Seal
- Pouch, Stickpack & Sachet Systems
- Flow Wrapping Systems

FLEXIBLES & TRAYS

H&S

- Food Distribution, Feeding & Loading Systems
- Integrated Product Handling Systems
- Sanitary Product Handling Systems
- Retort, Sterilization & Pasteurization Systems

HANDLING & STERILIZING

L&C

- Labeling Application Systems
- Label Printing Systems
- Flexographic, Digital, Blank & Shell Labels
- Laser Coding & Marking Systems
- Continuous & Thermal Inkjet Coding Systems

LABELING & CODING

R&E

- Case/Tray Forming & Sealing Systems
- Case/Tray Packing Systems
- Shrink Wrapping & Bundling Systems
- Vertical Bagging & Heat Sealing Systems
- Palletizing Systems
- Stretch & Pallet Wrapping Systems
- Robotic Packaging Systems
- Cartoning Systems

ROBOTICS & END OF LINE

PH

- Outsert & Specialty Labeling Systems
- Track & Trace/Serialization Systems
- Complete Solid Dose & Liquid Packaging Systems
- Blister Packaging Systems
